# SCOTLAND EXCEL

- Scotland Excel are leaders of change. Since 2008, we have helped to establish public procurement as an effective driver for local and national economic growth and wellbeing. Our services are designed to help our members deliver sustainable services that every community needs, and realise a host of social, economic and environmental benefits from their spend.
- Are you making the most of your procurement power?

What is the real living wage?

[www.livingwage.org.uk](http://www.livingwage.org.uk)

Through delivery of Community Benefits, Scotland Excel endeavours to support the Scottish Government in achieving its purpose outlined in the National Performance Framework:

*“To focus government and public sector on creating a more successful country, with opportunities for all of Scotland to flourish, through increasing sustainable economic growth”.*

What is a Dynamic Purchasing System (DPS)  
and how do we use it?

- Richard Bridgen – Category Manager, Scotland Excel
